Dear Friends,

Bible poverty in Cuba exists because the number of Bibles and Scripture engagement resources in Cuba falls far short of the need. In Cuba, God’s Word is not available in the form of an affordable and accessible print Bible. Today we have a mandate to support the growing church and help a new generation of Cubans enjoy a growing relationship with Jesus Christ.

This month’s “Love Never Fails” newsletter is a form of announcement that EchoCuba is collaborating with the American Bible Society and the Global network of the United Bible Societies to provide Bibles in an unprecedented way this year’s initiative named Cuba: Million Bible Mission. Learn more by reading the brief newsletter.

Thank you for expressing your love and concern through your support of EchoCuba. Because of you, we are able to offer thousands of lost and hurting people in Cuba what they desperately need: the love of Jesus. And please keep in mind that we consider it an honor to properly extend on your behalf, so don’t hesitate to let us know how we can be praying for you.

Grace, peace, and love be yours in abundance,

Too

Cuba: Million Bible Mission

By: Joel Gabrielas of the American Bible Society

A spiritual awakening continues to sweep through Cuba. Everywhere in Cuba, the groundswell of popular enthusiasm for the church in Cuba is experiencing exponential growth during this 10 years of the churches in Cuba are experiencing a remarkable surge in their hunger for scriptural nourishment.

While the Holy Spirit continues to compel both young people and adults, and Church leaders estimate the Church is growing at a rate of 10-25% per year. Bible poverty remains a very difficult for the Church to disciple new Christians with the availability of God’s Word. Millions desire to engage with the Bible and experience empowerment in their homes and churches.

Reaching a new generation of Cubans discovering the love of Jesus for the first time, the American Bible Society is the largest provider of Bibles and Bible resources in the world. More than 4 billion Bibles and other engagement materials to help people share God’s message of hope.

Bible distributions in Cuba will continue in 2013 with modern Bibles in both Spanish and English.

Cuba Million Bible Mission will keep pace with the increasing need of Christianity with a new initiative to provide Bibles in the missions to make them available for the church in Cuba.

Please pray fervently for God’s hand in the distribution of Bibles around the world. Please pray for the success of the American Bible Society’s mission in Cuba.
